

# THE SHELTON CHRONICLE

## Remembering Bonnie & Clydes

### HAPPY HOLIDAYS!

This month's contest requires you to correctly identify three artists and their hit songs. Remember, the hits can be from the 1970's or 1980's. Call extension 2310 and give the name of the song and the artist. You must correctly identify all three songs to be considered for the prize. Prizes for the contest will be valued at over \$100!

The winner will be announced at our Christmas Breakfast on December 18. Deadline to call in your answer is December 4 at 5 p.m.

#### Song #1

"I'm sleeping,

And right in the middle of a good dream

Like all at once I wake up  
From something that keeps knocking at my brain."

#### Song #2

"Somewhere, somehow, somebody  
must have kicked you around some, tell  
me why you wanna lay there and revel  
in your abandon

Listen, it don't make no difference to  
me baby

Everybody's had to fight to be free."

THE SHELTON CHRONICLE is  
published twice a month by the  
Office of Public Relations and  
Alumni Affairs, 391-2221.

#### Song #3

"Out on the road today, I saw a  
deadhead sticker on a Cadillac,  
A little voice inside my head said don't  
look back.

You can never look back."

## W H A T CONCERNS OUR ADULT STUDENTS?

During a recent meeting of the Common Concerns Club, several were discussed by adult students at the meeting. These concerns included: **Make class schedule more flexible for working students.**

1. Begin 12-contact hour classes later than 4 p.m. so students will have time for class after work. To make up the time, extend these classes beyond the regular semester or meet on a Saturday or a Friday evening.

2. It is difficult to reach instructors outside of class time. Instructors are encouraged to return a student's call when a voice message is left.

3. Adults would often like a little more explanation about a new topic. Take a little extra time with them, instructors!

4. Could the food court have some sandwiches made and ready for students in the evening? Maybe students could order sandwiches the day before.

**Don't forget the two professional development workshops**

**Dec. 3:** 3-4 p.m. Using Scanners  
Chuck Boening

**Dec. 10:** 3 - 4 p.m. Introduction to Internet Library Staff.

All workshops will be scheduled for Room 217 W (Library/Martin Campus).
